

Library Visits

The children from Kindergarten and Pre-School have a visit to the library on alternate weeks. When they arrive at the library the Librarian asks everyone their name and welcomes them to the group. They are asked if they would like to choose a song to sing and join together in a group to sing 3 or 4 songs. The Librarian then reads the children 3 or 4 different stories all with the same sort of genre. After the stories the children are given a colouring to complete and take home with them.
